Cycle Meet Slated at Lions Drag Strip

Motorcycle riders of the west will stage a major drag meet June 25 at the Lions Associated Drag Strip in Long Beach.

Director Dale Brown announced that 21 trophies, for as many top class eliminators, will be offered. Also to be awarded are \$25 Savings Bonds for cycles making the fastest and best elapsed times and the overall eliminator.

Unlimited (but no fuel—gasoline only) competition and semi-modified classes, or "bob-jobs," and racing for street class motorcycles will be introduced, Brown said.

THE STREET class machines are those two-wheelers which

are able to pass a regular inspection by a police officer, as well as being limited to a single carburetor. The class will be divided into groups rating from 50 cc to 750 cc and over.

The "bob-jobs" will be rated in the same sizes as the street class, but you may or may not have headlights, fenders, and a stock gas tank. Your motor may or may not be stock. Gasoline only, no fuel will be allowed.

IN THE COMPETITION class the cycle may be stripped down as much as possible, and any kind of motor work is permissible with the exception of a blower, and fuel.

COME ON IN . . . Hostess Marily Yates invites people at the South Bay Shopping Center to come in and look around one of the 30 mobile homes now on display at the center. The event, first of its kind in this area, runs through tomorrow.

Gardena Speedway Sets Doubleheader Program

Over one hundred cars and drivers are entered for today's CJA Hot Rod and Stock Car doubleheader racing program at Gardena's Western Speedway where they will race in the day's ten event program capped by two 30-lap features.

"Tiger" Jim Roessler, San Bernardino, and Jack Austin, Downey, head the day's Hot Rod race field, while Arley Scranton, Compton, and Jerry Plotts, Gardena, lead the Stock Car brigade onto the one-third mile clay oval.

Roessler, 1960 CJA Hot Rod champ, leads in this year's points, also, and hopes to lengthen his margin. Austin has won five main events this year, and has moved into second in points, and could pull another win out of the bag this afternoon at 2:30 when the first race begins. Time Trials are set for 1:00 p.m.

Scranton, runner-up last time out, will be gunning his Oldsmobile for his second win of the year. Plotts, who moved his Ford around Scranton to win last time, also will be looking for his second triumph of the year.

Other drivers entered include: Art Atkinson, Pasadena; Bill St. James, Gardena; Dallas Harrison, Redondo Beach; Cliff Fagot, Torrance; Ron Garriott, Gardena; Paul Jones, Torrance; Audie Madron, Compton; Dave Hubert, Huntington Park; Orville Allen, Monrovia; Gabby Garrison, Long Beach; Lamarr Anderson, Manhattan Beach; Cliff Garner, North Hollywood; Jasper Lopicolo, South Gate; Bob Simmons, South Gate; Ed Van Eyk, Bellflower; Donnie Harrison, Gardena; "Irish" Jack Kelly, Long Beach; Chubby Chatto, San Fernando; and "Wild" Bill Foster, Newhall.

OPENING AWAITED . . . Reservations are now being taken for the city's most elaborate mobile home park, the Skyline Mobile Park, manager George Powell reported yesterday. Shown here is a perspective of the park as it will appear when completed.

New Mobile Park Nearly Ready for First Tenant

Mobile homes are expected to start moving soon into the city's new Skyline Mobile Park on Pacific Coast Hwy. near Crenshaw Blvd., general manager George Powell told the HERALD this week.

is the trio of owners, William C. Mertz, Richard Mertz, and Richard H. Meine.

Constructed on a hillside location sweeping up from the highway, the new mobile home park will provide initially for more than 170 homes, and ultimately is expected to accommodate about 500.

A ranch type recreation building features swimming pool, dance floor, utility area, card rooms, and other features for future use of guests in the park.

Building the terraced park

Mobil Home Show Now in South Bay

The first mass exhibit of mobile homes and travel trailers in this area opened as the Trailer Life Show at South Bay Center Friday, according to the Trailer Coach Assn., sponsors of the event.

Free to the public and expected to draw 40,000 persons, the mass exhibition will feature over \$200,000.00 in luxurious mobile homes and travel trailers.

The event will run through Monday at the large shopping center, located at Hawthorne Blvd. and Redondo Beach Blvd.

Show hours will be from 12 noon to 6 p.m. on Sunday, and 12:30 to 9:30 p.m. tomorrow.

Butch Peterson Heads Regatta Ski Competition

Butch Peterson of Los Angeles, who holds the world's water ski drag record of 106 mph, leads the country's fastest field of skiers in the third annual Regatta of Champions at Long Beach Marin Stadium Saturday and Sunday, June 24 and 25.

Water ski competition augments the unique boat racing event which Sunday will pit the west's fastest 32 inboards, drawn from a field of more than 250 boats.

Peterson, who set his record in the quarter-mile drag, tops the entry list in the men's 10-lap race around the one-mile course as well as in his specialty, the drag.

Entries also include Mike Wallace, Rick Fowler and Mike Dixon of Los Angeles, Jack Mobley of Gardena, Jerry Clark and Ed Camrud of Phoenix and Sam Borges of Vallejo.

Peterson is part of a championship entry in the 10-mile race. Teaming with him is Ed Olsen, last year's national ski boat champion from Garden Grove, who will drive his well known "Cream Puff."

The two-day event is presented jointly by J. C. Agajanian and the Los Angeles Boat and Ski Club. A guaranteed purse of \$1500 has been posted.

FUNNYMAN . . . Larry McKinney and three more of the rodeo world's funniest jesters will reach into their hilarious bag of tricks Saturday night, June 24, to supply laughter for thousands of spectators at the 1961 Sheriff's Rodeo in the Coliseum. To them also falls the serious task of diverting the wrath of infuriated Brahmas away from fallen cowboy contenders in bull riding contests.

Ascot Hosts Dads

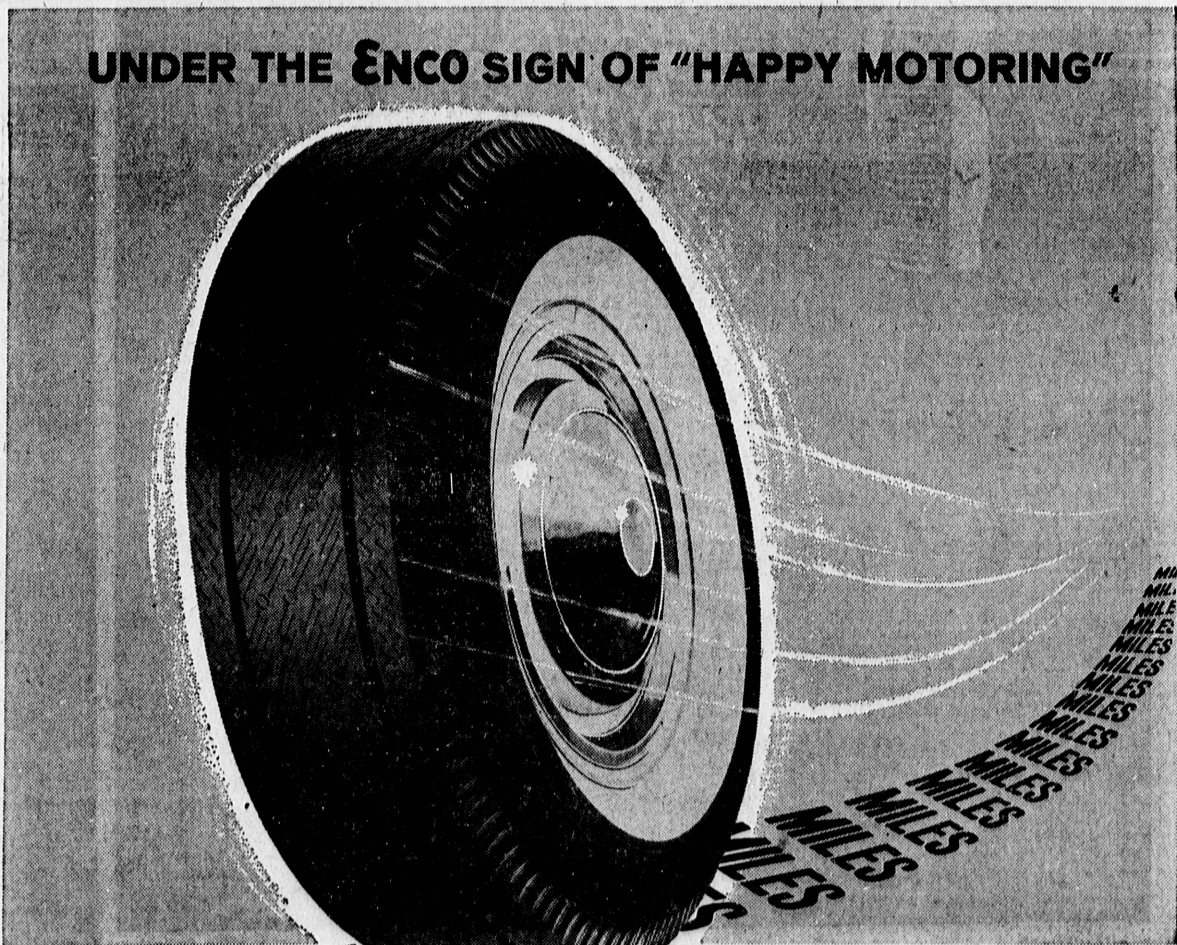

A special Father's Day program of racing on the new Hippodrome one-third mile Road Course will be featured today at Ascot Park, 183rd and Vermont. More than 75 Pacific Racing Association drivers will compete, with time trials at 1 p.m., and the first race at 2:30, according to Racing Director Tony Coldeway.

Among the favorites will be Ray Futrell of Torrance.

The program this afternoon will include the traditional Trophy Dash, four heat races, a 15-lap semi-main and the main event of 30 laps. Ron Hornaday of San Fernando, who won the PRA racefest last Sunday at Ascot Park, will be

the man to beat. Last Sunday's second place winner, Marvin Heinis of Sylmar, and third-place Giff Runkle of Oxnard will also be strong contenders.

Hippodrome Road Course races with speedy PRA drivers will be held each Sunday afternoon during the season at Ascot Park.

NEW! ATLAS BUCRON TIRES

give you improved mileage

Yes! The famous Atlas Bucron Tire . . . already so well known for its quicker—safer—stops, for its easier ride, for its no-squeal performance . . . has been improved.

More miracle rubber on the tread and a new, improved tread design add miles of useful life to 1961's new Atlas Bucron Tire . . .

Ask your neighbor under the Enco sign to give you a demonstration ride on this amazing new tire . . . the tire that makes your car "ride like new."
